

## Department of Primary and Pre-primary Education

### **Courses for international students for the academic year 2021/2022**

KPV/ YCPE Czech Pre-school Education – Theory and Practice			
Number of ECTS credits:	30	Course completion:	Exam, colloquy, credit
Completion requirements:	80% attendance, 100% attendance of practice	Lecturer:	Alena Vavrdová, Dominika Provázková Stolinská, Dana Cibáková, Vojtech Regec, Ondřej Moučka
Semester in which the course is taught:		Both summer and winter	
Description:			
<p>The course module is based on a view of children that emphasizes children’s participation and children’s competences and a view on culture that covers both cultural heritage and cultural criticism. The course gives students an insight into children’s culture and the formative influences that are part of the processes in a child’s development.</p> <p>Students are expected to take joint responsibility and to have a joint influence during the course module. They are required to work independently and actively to be well prepared for co-operation with children, colleagues, parents and the community, both during the study and in a lifelong learning process.</p> <p>At the end of the course module the students will have developed knowledge, skills and competence as a teacher of pre-primary education.</p>
