Practical Info

Travel instructions:

Getting from Prague to Olomouc

If you are planning to come by plane, you will probably come to the international Václav Havel Airport Prague (PRG).

The most comfortable way to get from the airport to the railway station is by using the [Airport Express](#). The bus will take you to the station in cca 30-40 minutes.

Travelling from Prague to Olomouc by train is the most comfortable way, which is why we suggest you go for this option.

At the Main Railway Station, you need to buy a ticket to Olomouc (the approximate pronunciation of the city name is “O-lo-moats”). Try to find ČD Centrum (Czech Railways Information Office) where they will speak English. A single ticket from Prague to Olomouc costs around 400 CZK. You can decide if you want to travel with [Czech railways](#) or private companies such as [Regiojet](#) or [Leo express](#). The trip to Olomouc takes approximately 2 hours 20 minutes.

If you want to check available connections by trains, coaches, buses and public transport as well, you can use the Internet Timetable Information System known as [IDOS](#). The system helps you to search all kinds of connections, from the international ones to the tram timetables in Olomouc. It is also available in English and German for download.

Please note:

In some cases, it might be more advantageous and comfortable to use the Vienna Schwechat airport. There might be a direct flight from/to your destination. Vienna is even nearer to Olomouc than Prague, on the other hand, there are fewer possibilities to get to Olomouc from Vienna. But it is feasible. You can travel either by [Flixbus](#), by [Regiojet](#) buses or by train. [IDOS](#) will help you to find your way.

Public transport in Olomouc

Olomouc has a dense public transport network, which consists of tram and bus lines. The major operator is [Dopravní podnik města Olomouce](#) (Olomouc Public Transport Company).

Tickets

For legal travel by public transport, you need a **valid** ticket. The ticket is only valid when marked by the machine on the vehicle, so you need to have it before entering the vehicle. Tickets and fares are the same for trams and buses. A single ticket costs 25 CZK and is valid within all parts of Olomouc city for 40 minutes (60 mins at the weekend).
