# International Week

30 September - 4 October 2019

## Olomouc

Faculty  
of Education

Dear partners, dear colleagues, dear friends,

Following the success of previous events, it is our pleasure to organize the "5<sup>th</sup> International Week" at the Faculty of Education in Olomouc between 30<sup>th</sup> September and 4<sup>th</sup> October 2019. We would like to cordially invite you to attend this event.

The aim of the event remains the same: to bring various international partners together and share their ideas, experiences, make new partnerships, increase students' mobility, promote various universities and their study possibilities to Palacký University students etc.; this all during many formal and informal meetings and gatherings.

We will be glad to welcome both teachers who will use their Erasmus teaching mobility, as well as administrative staff dealing with international affairs who can come within Erasmus training mobility.

However, it is not necessary to use the Erasmus+ framework. The event is open for all, even for those who are not our official partners yet.

There will be no registration fee. The Faculty of Education will provide you with refreshments, 3 lunches (Monday – Wednesday) and an all day excursion (Wednesday). Other expenses like accommodation, travel costs etc. are to be borne by the participants (who can use the Erasmus+ funds).

We do hope you will be interested in participating in our international week. We feel that we, as the university and faculty, have many things to offer. Plus Olomouc is a charming city, where you can admire historical sites, lush parks or simply enjoy the vibrant atmosphere of the student's city.

With best wishes

Jana Kvintová  
Vice-Dean for International Relations
