

# INVITATION TO THE INTERNATIONAL SCIENTIFIC CONFERENCE

Iceland  
Liechtenstein  
Norway grants

## Adolescents and Their Mental Health

The conference is held as part of the project **ZD-ZDOVA1-011 Primary prevention of intellectual disorders in early adolescent children** under the **Health programme** and is funded by EEA Grants 2014–2021. The project is carried out in cooperation between the Faculty of Education, Palacký University Olomouc and Podané ruce o.p.s.

Date: **23–24 November 2022**

Venue: **Faculty of Education, Palacký University Olomouc**

The conference will be attended by leading experts on the issue from the Czech Republic and abroad. The following topics will be addressed in plenary sessions and professional sections:

1. Mental disorders in the period of early adolescence
2. Wellbeing of adolescents
3. Covid and its effects on adolescents' mental health
4. Prevention of risk factors affecting the mental health of children and youth

The conference programme will include professional workshops and networking of school professionals. Participation at the conference is free of charge. For more information see the News section at the project website.
